

CHOW CHOW

I was on Death Row

I FLUNKED the shelter test

They branded me a "killer"
They said I had no future

No one would help me
I was to be euthanized

BUT LOOK! HERE I AM WITH STRANGERS! DO I LOOK LIKE A KILLER TO YOU?

I CAN BE FRIENDS TOO. IF YOU LET ME. IF YOU TAKE TIME TO KNOW ME

Shelter tests don't always favour dogs laden with fear who are suddenly misplaced & removed from their element or who have been abused, mistreated, unsocialized or neglected.

Please. **BEFORE** condemning them to death,
please contact your closest breed specific Rescue.

A public service message from breed specific rescues across the continent.
